Influence and Assets.*

WOW

Our Magazine from then to NOW!

Women of Wealth Magazine is a full color, full size, highly sought-after publication. It is a resource driven, innovative media communication device dedicated to empowering women through motivation, financial education and mentoring. Our mentoring component is powered by Affluent Women, Corporations and Executive Women Leaders of today. Our editorial content is encouraging and very informative. It offers extraordinary solutions to ordinary people.

WOW Magazine thrives because of our strategic partnerships, proprietary technology, smart marketing and advertisers that are looking to form long-term relationships that will develop into strategic partnerships. We will continue to be an influential driving force in women-catered media and entertainment. Our vision and

goals will always remain focused on empowering young women and enabling them to fulfill their promise and to reach their goal. WOW is a national publication positioned to go global in 2020. You can view our printed edition of Women Of Wealth Magazine in bookstores like Barnes & Nobles, Books-A-Million, etc. We are in major airports around the nation. You can view our digital edition online at womenofwealthmagazine.com. You can also view and purchase WOW from all mobile APPs, including thumb drives. Our pages are interactive with live links to every ad. An Advertiser's Brand is promoted by WOW Magazine in eight different ways including our annual Women's Global Mentoring and Philanthropy Summit on Martha's Vineyard and our Billionaire Roundtable Investor's Summit on the Yacht in Miami.
